Series Title: 100 Years, 100 Events
Curriculum Area: Social Studies
Grades: 7-12
of Programs/Length: 10/60:00 minute programs

Every decade has its share of important events. This completely engrossing series brings you only the best, the most far-reaching, the most worldly, and the most consequential. It is extremely rare that a series of this magnitude can offer such a unique clarity of events, credibly enhanced by only the "most privy" in insider accounts. Broken into timelines, by decade, this spellbinding series encompasses a 100 YEAR span of history by focusing on only the most notable. This collection through 100 six minute segments captures the significance of wars, politics, tragedy's, achievements, influences, events and people.
