Teaching NOW! (Video)

10:00-12:00 noon (Do not need to register)

Webb Center, Cafeteria

Teaching NOW! investigates the relationship between education and technology. The series explores the issues, ideas, and strategies of technology integration by showcasing case studies from across the nation of our K-12 schools and our colleges and universities. Showing today - Florida Virtual School, Technology for English Language Learners and Handhelds in Omaha.

Mock Competition (You bring your own equipment)

10:30-11:30 am

Webb Center (behind registration area in front lobby-pick up problem at the registration table)

During the time that the students are competing, we will also have an area set aside for the coaches and/or parents to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.
