WORKSHOPS FOR TEACHERS AND PARENTS

PLEASE REGISTER FOR WORKSHOPS AT THE MAIN REGISTRATION TABLE

netfiles (Video)

10:00-12:00 noon (Do not need to register)

Webb Center, Cafeteria

Now in its eleventh season, *Net Files* continues to keep teachers on top of Internet integration. See the tools, sights, and equipment needed to be Net Wise and visit Net Classrooms where teachers seamlessly integrate the Internet into their lesson plans and student activities. Net Safety segments provide online Internet Safety resources and inform teachers of potential problems before they encounter them in the classroom.

Mock Competition (You bring your own equipment)

10:00-12:00 noon

Webb Center (behind registration area in front lobby-pick up problem at the registration table)

During the time that the students are competing, we will also have an area set aside for the coaches, parents and/or alternates to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.

I Can, I Play, I Learn, all with an iPod iTouch (Session)

10:00-10:50 am (session 1)

11:00-11:50 am (session 2-REPEAT)

Location: Webb Center, Cyber Loft 2201

Presenter: Dawn Lynn Eibel, Northside Middle School, Technology Specialist and School Test Coordinator

Come see what the buzz is about using iPods and/or iTouch iPods in the classroom. Find out some of the great ways that you can utilize these in the classroom. Can't use them in the classroom, but have a child who has one? Maximize their usage of the iTouch. It isn't just for playing games, emailing, or going on social networking sites. You don't have to have an iTouch to come...if you are thinking about getting one, or just curious, come in and spend an hour with us having some fun on a Saturday morning.
