AND OTHER ACTIVITIES!**

You can find the full listing on the following page.

## WORKSHOPS FOR TEACHERS AND PARENTS

PLEASE REGISTER FOR WORKSHOPS AT THE MAIN REGISTRATION TABLE

### **netfiles** (Video)

10:00-12:00 noon (Do not need to register)

Webb Center, Cafeteria

Now in its eleventh season, *Net Files* continues to keep teachers on top of Internet integration. See the tools, sights, and equipment needed to be Net Wise and visit Net Classrooms where teachers seamlessly

integrate the Internet into their lesson plans and student activities. Net Safety segments provide online Internet Safety resources and inform teachers of potential problems before they encounter them in the classroom.

### **Mock Competition** (You bring your own equipment)

10:00-12:00 noon

Webb Center (behind registration area in front lobby-pick up problem at the registration table)

During the time that the students are competing, we will also have an area set aside for the coaches, parents and/or alternates to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.

### **Can We Talk? Joan Rivers 1986** (Hands-on Session)

10:00-10:50 am (session 1)

11:00-11:50 am (session 2-REPEAT)

Location: Cyber Loft, 2201 (computer lab – 2<sup>nd</sup> Floor)

Presenter: Rob Ponton, Williamsburg

Many of us are visual learners. Teachers are now incorporating more images in their presentations and encouraging students to use them appropriately in their technology projects as well. What's the next step? Getting the images to talk! This workshop will show you how to use several free online programs that will get your students talking about their talking images. A look at some advanced talking programs will be shown as well. Don't miss this workshop ... it's bound to be talked about for some time.

### **Web 2.0 and You** (Hands-on Session)

10:00-10:50 am (session 1)

Location: Cyber Loft, 2200 (computer lab – 2<sup>nd</sup> Floor)

Presenter: Janene Gorham, Virginia Beach

Blogs, wikis, podcasts, social networks...feeling behind and are not sure you can catch up? Join us to explore the rapidly growing world of free Web 2.0 tools such as VoiceThread, flickr, Facebook, Twitter, Google Apps, and more. An overview of Web 2.0 tools will be shared that can be used both personally and professionally.

### **Surfing the Internet Safely for Family-Friendly Fun!** (Hands-on Session)

11:00-11:50 am (session 2)

Location: Cyber Loft, 2200 (computer lab – 2<sup>nd</sup> Floor)

Presenter: Janene Gorham, Virginia Beach

The Internet is a fantastic resource filled with amazing opportunities for learning and fun. Learning how to behave appropriately and safely online is a life skill which you can help your children develop. This session will increase your awareness of tools for teaching your children safe and responsible Internet use. Learn specific strategies for discussing internet use with your children and ways you can encourage your children to be good CyberCitizens while online. Learn fun and educational activities that you can do with your children to model positive and productive online behavior and use the power of online social networking tools to strengthen relationships and keep your family close.

### **Interactive Classroom** (Session)

Camcor, Inc.

10:00-10:50 am (session 1)

11:00-11:50 am (session 2-REPEAT)

Location: Board of Visitor's, 1<sup>st</sup> Floor

Presenter: Win Anderson, Camcor, Inc.

"Interactive" is the word for the decade right? Well what will make my classroom interactive? Whiteboards, pads, clickers, visual presenters and many more gadgets are available to us but how do they make the class interactive? In this session we will answer those questions.

Explore some equipment that you may already have or assuredly will have one day. So let's get ready! This is an upbeat and quick moving session in which attendees will be engaged and encouraged to participate. Attendees will have a chance to win a prize.

Door prize will be provided at the end of the session.
