

Every year our club, The Duke Tech Squad, holds a fundraiser for a worthy cause. The earthquake in Haiti caught our attention. There could be no better cause than helping those affected by the earthquake. We will be hosting a fundraiser in dedication to the love felt, not only between ourselves and those we care about but the entire human race. Please come out and support our cause by purchasing baked goods, flowers, and candy grams from our stand outside the Wal-Mart Super center the week before Valentine's Day from 2:00 PM - 6:00 PM. We hope to see you there.
