

Project Green

**Time: 8:00am-
1:45pm**

Date: June 13th

The Green Team invites you to come to Fun Forest to plant trees and flowers. We all know that deforestation is a big deal and plants give us our oxygen. So we need to give Mother Nature a hand by planting more trees and other plants!

Tell your teacher if you want to participate in Project Green and he/she will give you a permission slip.

**By: Emma, Julia, and
Erica**

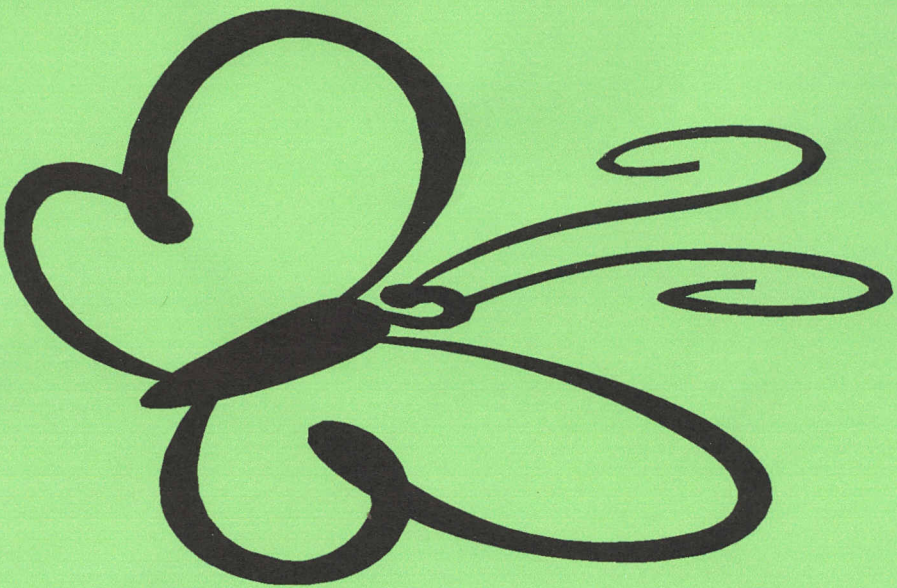

Certificate of Appreciation

This certificate is awarded to The Green Team from
Greenbrier Intermediate School and now Greenbrier is truly
green!

Thank you green team for sponsoring this trip. The school enjoyed themselves. We'll have to do it again next year and Fun Forest appreciated your hard work. Keep it up

—Principal Keith T. Hyater
