

Harry Purkey, 82nd District

2009 Virginia House of Delegates Candidate Questionnaire

1. Specifically, what unique qualities and/or qualifications will you bring to the office you seek?

Proven fiscal conservative record, in depth knowledge, over 100 bills passed into law, addressing some of the most complex issues:

- Ports
- Road Funding
- Unfunded pension liabilities
- Hospital incurred infections
- Ethics issues
- Environment

2. What transportation changes or improvements do you advocate and how specifically would you pay for them?

Prioritize, arrange alternative funding, get it done!

3. Aside from transportation, what do you believe are two other important challenges facing the Commonwealth? Specifically, what responses do you propose and how will you pay for them?

- Create a positive job creation/job retention private sector job environment
- Limit state, local, and regional debt to what we can afford
- Tolls and private roads will be required to help fund our road needs
